ABOUT ME

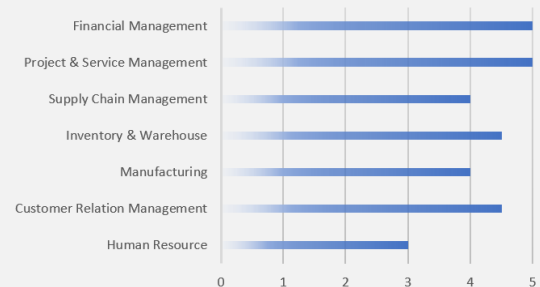

Working as a 'Functional- Solution Architect- Dynamics 365-FinOps' in Sydney, Australia.

I have over **14+ years of hands-on experience** working with enterprise customers and solving their business problems with Microsoft Technologies which majorly includes Microsoft Dynamics-AX(D365-FinOps) (Specializing in Financial, Trade & Logistics, Manufacturing, Master Planning, Projects, Retail and Financial Reporter). Also have solid experience in the vertical software development and its integration with ERP.

HIGHLIGHTS

- 14 Years of experience in Microsoft Dynamics AX (FinOps)
- 3 Years of Experience in D365 FinOps, Life Cycle Services (LCS)
- Managed the first D365 F&O project of Microsoft Asia in 2016 as a PM and Architect.
- Expertise in MS ERP Licensing
- Worked on Global AX projects with multi countries and legal entities.
- Implemented in the Finance, Manufacturing, Distribution, Retail & Services sectors

MODULE WISE COMPETENCE

WORKED WITH CLIENTS FROM DIFFERENT LOCATION

- Finance-** IL&FS (India), HSBC Insurance (Philippines)
- Manufacturing-** Goldilocks (Philippines), Resource Décor (Vietnam, HK), EBARA (Philippines)
- Distribution-** Resource Décor (USA), Hitachi Construction (Australia), NDDB (India), Breville (Australia)
- Retail-** Goldilocks (Philippines)
- Services-** RPS (Australia, UK), OKADA (Philippines), BODOG (Canada, Philippines)
